

JOINTLY ORGANISED EDUCATIONAL TOUR TO BLUESCOPE STEEL MALAYSIA PLANT

MABC & BlueScope Steel Malaysia cordially invites members of MABC to an Educational Tour of BlueScope Steel Malaysia (BSM) Plant on Wednesday, March 21, 2012 - Limited to 30 pax only – First come first serve basis

BlueScope Steel Malaysia has been in operations since 1996 and is the only local manufacturer for the following leading coated steel products in the market; • Clean COLORBOND® steel • ZINCALUME® steel • TRUCORE® steel. In ensuring quality, stringent tests are conducted regularly for all our products prior to introducing it to the market. The products are widely used in the residential and industrial building and manufacturing industries construction industry of Malaysia, Singapore, Brunei and South Africa.

Come and join the BlueScope Steel Malaysia Plant Tour to know more of the industry, their history and expertise of manufacturing coated steel. Visitors will experience and witness a holistic and complete process of steel coating in our plant led by our Plant Guides. Our **“Steel Journey”** is designed with the following objectives for all our visitors;

- Knowledge about coated steel processes
- Understanding of steel application in buildings
